What is a Zoning By-law Amendment?

The Town's Zoning By-law implements the community development goals and objectives outlined in the Municipal Official Plan. The Zoning By-law also provides a legal way of managing land use and future development in order to prevent conflicting and potentially dangerous land uses from being located in inappropriate areas within the community. The Zoning By-law outlines how land may be used, where buildings may be located, the types of buildings permitted on a property, as well as lot sizes, dimensions, parking requirements, building heights, and applicable setbacks from the street.

If a property owner wishes to use or develop land in a manner that is not permitted by the By-law then a zoning amendment is required prior to establishing the proposed use.

Submitting Your Application

Before submitting an amendment application, it is mandatory that a pre-consultation meeting be held with Planning Staff. This consultation helps to identify complete application requirements, the associated fees, and an approximate timeline for processing the application.

The standard requirements for a complete zoning by-law amendment application are listed on the application checklist on page five (5) of this package. If the application is submitted by a property owner, all owners must sign the application forms. If the application is signed by an agent on behalf of an applicant, the attached agent authorization form must accompany the submission. If the applicant is a corporation acting without agent or solicitor, the application must be signed by an officer of the corporation and the corporation's seal (if any) must be affixed.

Please take note that "DECLARATION OF OWNER OR AUTHORIZED AGENT" section of the application must be signed in the presence of a Commissioner of Oaths. The Town provides this service free of charge, provided the application is submitted in person.

The complete application package and fees should be submitted to:

Planning Services
The Town of The Blue Mountains
P.O. Box 310, 32 Mill Street
Thornbury, Ontario NOH 2P0

Applications may also be submitted electronically by sending the completed application to planning@thebluemountains.ca. Note that the fees must then be forwarded and the application processing will not start until the fees are received.

Please note that the application form, signatures and site sketch must be fully completed and legible in order to be processed. Failure to provide complete or legible information will result in a delay in processing the application. Information regarding the Grey County Official Plan, the Municipal Official Plan, and Zoning By-law can be found at the following links:

- Grey County Official Plan: <https://www.grey.ca/planning-development>
- Town of The Blue Mountains Official Plan: <https://www.thebluemountains.ca/official-plan.cfm>
- Town of The Blue Mountains Zoning By-law: <https://www.thebluemountains.ca/zoning-information.cfm>

After Submitting Your Application

Once your application has been submitted, Town planning staff will review the submission for completeness. The application will not be processed unless the submission is complete and all prescribed or required information is provided.

Notice of Application and Notice of Public Meeting

When the application is deemed “complete” staff will begin to process the submission and prepare a “Notice of Application” and/or “Notice of Public Meeting”, which will be sent to all property owners within 120m (400 feet) of the subject property.

The application will be circulated to Town Departments, external agencies, and public bodies who may have an interest in the proposal for review and comment. It is important to consider that commenting agencies have their own requirements and may require separate planning review fees and/or additional reports or studies in order to process the application. The pre-consultation meeting with Town Staff will help to determine if these requirements will apply.

The Public Meeting will be held no earlier than 20 days after the “Notice of Public Meeting” has been completed. Applicants, agents, and members of the public are invited to make representations with respect to the proposal at the Public Meeting.

Please note that in some cases Council may deem that a public open house is required in addition to the public meeting to ensure that the public has been adequately informed of the proposal and to obtain their views prior to making a decision on the Zoning By-law Amendment. The open house shall be held a minimum of 7 days prior to the public meeting, should it be required.

The Town of The Blue Mountains also has a Planning Review Committee (PRC) consisting of Town Staff from various Town Departments that review development applications on a monthly basis. Zoning By-law Amendments that are considered by the Planning Review Committee (PRC) will be reviewed and staff comments will be provided for consideration. The availability for a Public Meeting date can be made at the conclusion of the Planning Review Committee (PRC) meeting.

Application Review and Council Decision

Based on the comments received at the Public Meeting from Town Departments, external Agencies, and the Public, Town Staff will prepare a recommendation report for consideration at a Committee of the Whole meeting. The recommendation adopted by the Committee of the Whole is then sent to Town Council for a final decision. A copy of the recommendation report will also be provided to the applicant.

Following consideration of any information presented at the Public Meeting, as well as the recommendations contained in the report prepared by Planning Staff, Council may make one of the following decisions with respect to the application:

- 1) To approve the application;
- 2) To approve the application with modifications;
- 3) To refuse the application; or
- 4) To defer the application pending further review or action.

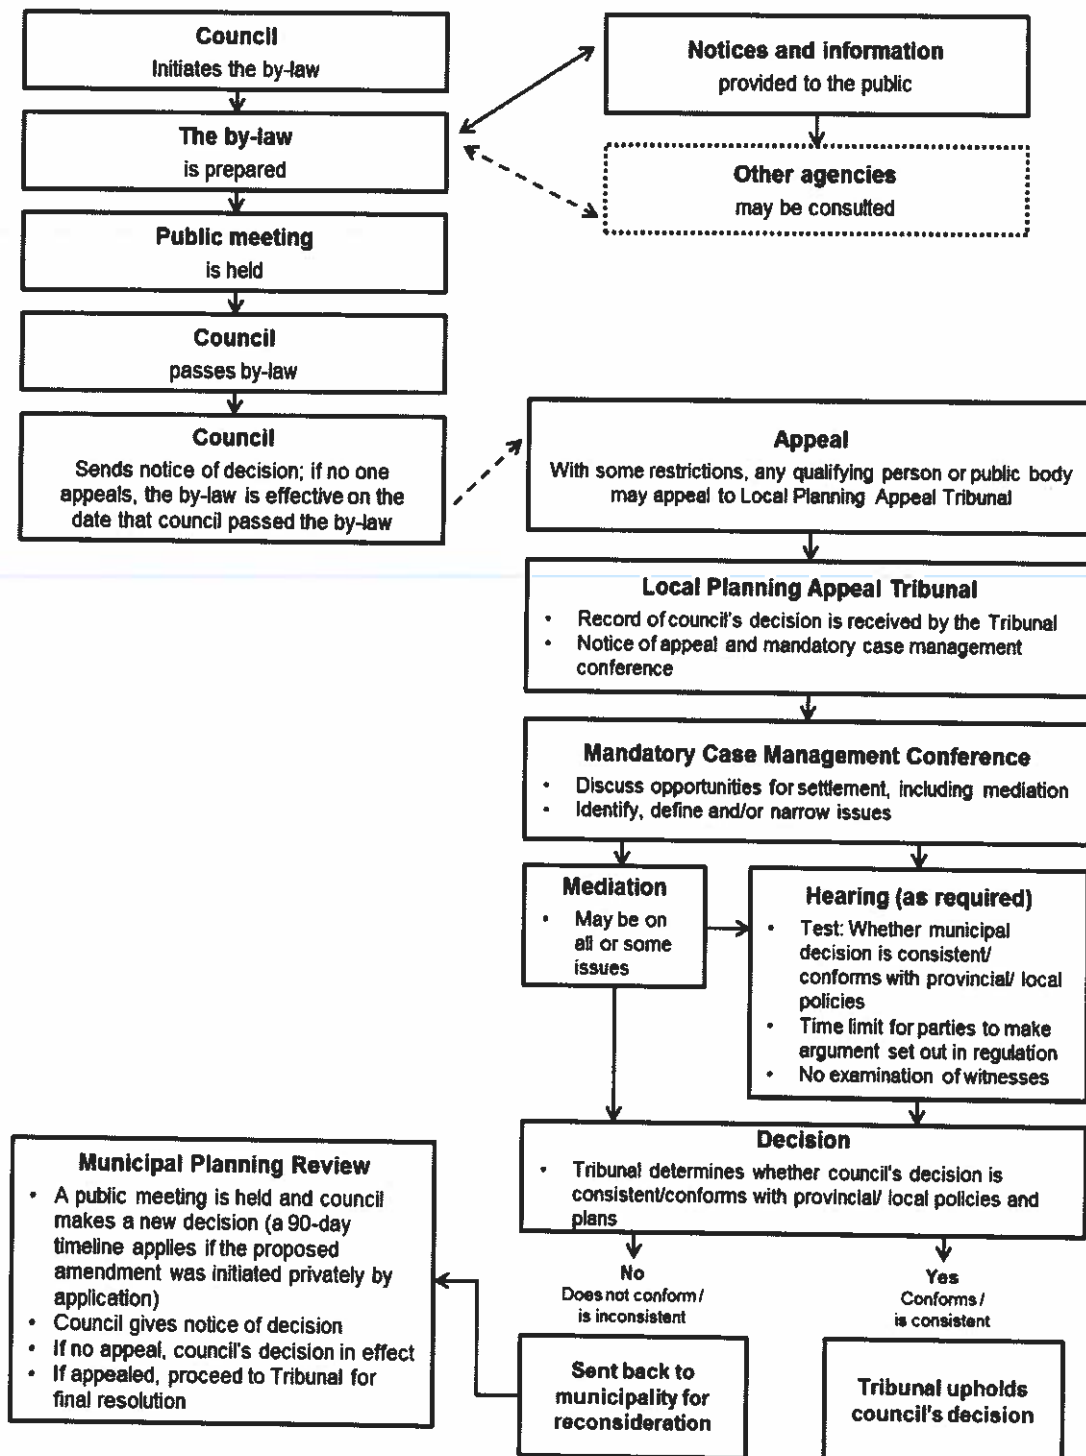

Where Council approves an application, the amending Zoning By-law is presented to Council for enactment and a Notice of Passing of the By-law is issued by the Planning Department.

Appeals

A decision of Council is subject to a 20-day appeal period measured from the date of the Notice of Passing of the By-law.

Provided no appeals are filed with the Town Clerk within the appeal period, the decision of Council on the By-law comes into force and effect retroactive to the date of enactment. Where an appeal is filed with the Clerk, the matter is forwarded to the Local Planning Appeal Tribunal.

To file an appeal, the required Local Planning Appeal Tribunal forms, a letter outlining the reasons of the appeal, and the appeal fee being a cheque payable to Minister of Finance in the amount of \$300.00 must be forwarded to the Office of the Clerk of the Town of the Blue Mountains.
