

# Notice of Road Opening & FAQ

## Crosswinds Boulevard

Date of Notice: January 30, 2026

The Town of The Blue Mountains would like to inform residents that Crosswinds Boulevard, which was assumed by the Town in November 2025, will be opened to through traffic in Spring 2026, following the removal of all remaining barricades.

As of November 2025, the Town has assumed maintenance of the Crossroads Boulevard. Opening the roadway is a necessary step to ensure safe, consistent access and to allow for effective municipal operations and maintenance. Crosswinds Boulevard was always intended to operate as a fully accessible public roadway.

The timing of the opening will align with seasonal conditions and final operational preparations. Surrounding residents will be notified in advance of the removal of barricades and the official opening. Once complete, Crosswinds Boulevard will be fully accessible to vehicles.

This notice provides information and answers to common questions about the opening of Crosswinds Boulevard as a barrier-free public road. Contact information for relevant Town departments is listed on the final page.

### FREQUENTLY ASKED QUESTIONS

#### **Q: WHY IS CROSSWINDS BOULEVARD OPENING NOW?**

**A:** The Town has completed the assumption of the development phases impacting Crosswinds Boulevard, and the roadway is now ready to function as originally designed. Opening the road supports safe access, traffic continuity and effective, ongoing municipal maintenance.

#### **Q: WAS THE ROAD MEANT TO REMAIN CLOSED?**

**A:** No. While access was restricted during earlier stages of development, Crosswinds Boulevard was always planned and designed to operate as a public roadway.

#### **Q: WHY WERE BARRICADES IN PLACE FOR AN EXTENDED PERIOD?**

**A:** Barricades remained in place while development responsibilities were being finalized and until the Town was able to formally assume the road and prepare it for public use.

#### **Q: CAN RESIDENTS CONTINUE TO USE THE AREA FOR RECREATION?**

**A:** Once the road is open to through traffic, it will function as an active roadway. Residents are encouraged to use sidewalks, designated trails, parks and recreational spaces throughout the municipality. To learn more about municipal parks and trails, visit [www.thebluemountains.ca/beaches-parks-trails](http://www.thebluemountains.ca/beaches-parks-trails).

#### **Q: WHEN WILL THE ROAD OPEN?**

**A:** The opening of the road is anticipated in Spring 2026, subject to weather conditions. The Town will provide updates as timelines are confirmed and formal notice to surrounding residents in advance of the opening.
