

Dear Residents,

Please be advised that as part of the Bay St Reconstruction Project, there will be a temporary water service interruption to decommission the temporary watermain and connect your permanent water service supply.

Please note: All homes will remain on temporary water service lines until a homeowner or representative is present to transfer the line to your permanent water supply. Please call Arnett's representative listed below to schedule the connection anytime after 9 AM October 13th, 2026. Each outage shouldn't exceed one hour.

- **Dates: Wednesday October 14th- Friday October 16th, 2026**
- **Time: 8:00 AM – 5:00 PM**

During this time, water service will be unavailable for the duration of transfer from temporary to permanent water service. We recommend that you plan accordingly by storing sufficient water for your daily needs prior to the scheduled interruption. We apologize for any inconvenience this may cause and appreciate your patience as we work to improve the infrastructure in your area.
